GENERAL TERMS & CONDITIONS

Eligibility and Reward Claim:

Introducing Brokers (IBs) enrolled in PCXFX's Loyalty Reward Program may claim their rewards only after completing a 90-day period from their initial sign-up.

Program Participation Limit:

Each IB can participate in only one reward program at a time. After completing a program cycle, the IB may apply for another available program.

Loyalty Reward Policy:

The PCXFX IB Loyalty Reward Program ends each year on December 31. Rewards must be claimed by this date, as unclaimed lots will not roll over. This program applies only to trades in Forex, Gold, Silver.

Program Scope:

This campaign applies Standard and ECN account type.

Performance Calculation:

Only the IB's individual performance and that of directly referred clients will be considered for rewards, excluding trades executed by any sub-IBs. Only closed lots are eligible for reward calculations.

For positions closed using Close By, both sides (buy and sell) are counted together as a single lot volume in total, not separately as two lots volume.

Examples:

Normal Close:

Buy EURUSD 1 lot → closed normally = 1 lot counted.

Sell EURUSD 1 lot → closed normally = 1 lot counted.

Total counted = 2 lots.

Close By:

Buy EURUSD 1 lot + Sell EURUSD 1 lot → both positions closed by Close By.

Counted as 1 lot total, not 2 lots.

Lot Balance Renewal:

After a reward is claimed, the IB's lot balance returns to zero, starting a new cycle to accumulate lots toward the next eligible reward.

Compliance and Disqualification:

PCXFX reserves the right to disqualify any IB who engages in prohibited activities. These include, but are not limited to, scalping, price manipulation, or exploiting liquidity issues. In addition, any abusive behavior or actions that conflict with the Client Agreement will also be considered grounds for immediate disqualification from the Loyalty Reward Program with/without prior notice.

PCXFX reserves the right to amend, suspend, or terminate the Program at any time with/without prior notice.
